Visa Requirements/Residence Permit Application

Entry Regulations: Applicants from EU/EFTA nations as well as some other nations do not need a visa to study in Germany. Applicants from Non-EU nations normally need a visa to study in Germany. In order to get a visa and the information if they need a visa, they must contact the embassy or consulate of the Federal Republic of Germany in their home country to ask and apply for it. Application for visa is necessary at least 2 months ahead of time. Students cannot travel to Germany on a tourist visa, since this cannot be changed into a student visa! Students that are in Germany on a tourist visa are not entitled to study there. Students from Switzerland who are allowed to enter Germany without a visa have to fill out a residence permit application, which can be obtained at the local Foreigner’s Registration Authority.

Are students required to purchase health insurance? Yes, in Germany health insurance is mandatory. One cannot register at TUM without proof of a German national insurance. Students originating from countries in the European Union (EU/EFTA) nations must obtain the International Health Insurance Certification (former E111 or E128) or EHIC-Card from their insurer in their home country and present it to a German national insurer to receive the demanded proof. Students originating from countries outside the EU: To ensure that coverage is sufficient to meet German national standards, it is recommended that students purchase an in-country medical insurance plan. Full coverage for students is around €76-78 monthly. Travel insurances are not accepted:
