NOMINATION & APPLICATION DEADLINE

Nomination deadline: 15 May 2019

Application deadline: 15 June 2019

COURSES

Each semester, incoming students can choose from a wide range of courses offered in French or in English. To receive the description of our programs taught in English, please send us an email at international@3il.fr

ACADEMIC CALENDAR

The academic year is divided into two semesters.

Fall semester runs from **September to January**, while **Spring semester** runs from **February to June**.

During the fall term, there are breaks for All Saints' Day (late October) and Christmas.

Please note that as Spring semester is the period during which our students do their internships, we mainly welcome exchange students during the fall semester.

BUDDY PROGRAMME

The buddy programme is designed to help International students in their first steps in Limoges. Before you arrival, we will match you with a senior student who will guide you regarding any question you have and who will help you find an accommodation near 3iL's campus.

ORIENTATION

There will be an orientation programme during the first week of the term to learn how to navigate your first days and weeks in Limoges.

APPLICATION PROCESS

After you have been nominated, we will send you application documents. You will have to complete an application form and send it along with your CV, your transcripts of records, your learning agreement and your ID (passport or ID card)

LANGUAGE REQUIREMENTS

We do not require tests results but we ask students to provide us with a formal document in which their language teacher confirms that they have at least a B2 level (CEFR scale).

ACCOMMODATION

As we cannot guarantee to our students a room in a dormitory, we help them in their search for alternative accommodation option (e.g apartment). Limoges is one of the French cheapest cities to live and it is very easy to find a good accommodation in a very short time. Rent varies depending on the type of the accommodation. Approximately between € 230 and € 400 per month.

ARRIVAL

Once arrived in Limoges train station, you can get to your accommodation by taxi. Many accept cash and bank cards. If you don't have your accommodation for the term, please book a room in a hotel (<https://www.booking.com/city/fr/limoges.fr>) for a few nights in order to have enough time to visit off-campus accommodation.

VISA

Citizens of a country outside of the European Union require a student visa, which is granted to you by the French Embassy / Consulate in your home country.

Please check the website of the French Embassy/ Consulate in your home country for regulations on immigration and residency for your home country. Following your arrival in France, please make sure to register with the local authorities as soon as possible to be granted a residence permit.

INSURANCE

EU/EEA citizens are required by the French authorities to bring their European Health Insurance Card with them. Non EU/EEA citizen should have their own Health, travel and Accident insurance. Once arrived in France, foreign students have to register to the French Social Security system on this website: <https://etudiant-etranger.ameli.fr/#/>

COST OF LIVING

The recommended amount that students should have access to per month should be at least as high as €750.
