- semester 6: 2nd semester of the 3rd year (Spring)

- semester 9: 1st semester of the 5th year (Fall/Autumn)  
For the same reason, students cannot choose courses in various specialties.  
Students can contact the department coordinator or send a message to incoming@insa-rennes.fr for any assistance.  
Students should fill in and sign the learning agreement form (can be downloaded in online application), make it signed by their home institution and finally upload it in their online application. |

When courses are successfully completed, the students earn credits; the normal total for an INSA student being 30 credits per semester. The student's choice has to be approved by both the home university and INSA.</td>
