Dear Colleagues,

Later inscriptions to Italian language courses will not be accepted.
Please, note that Sapienza University also organizes intensive language courses before the beginning of each semester, to support students in the learning process upon arrival. Intensive courses are strongly recommended to students with a lower level of Italian knowledge.

• REGISTRATION AT SAPIENZA UNIVERSITY
Upon arrival at Sapienza, students have to go to the Erasmus Office of their receiving Faculty (https://www.uniroma1.it/it/pagina/referenti-amministrativi-erasmus-di-facolta-raef) in order to complete the registration process: please, note that it is mandatory to register upon arrival in Rome; otherwise, students will not have the Erasmus period recognized.

Grading System
The Italian university grading system for course exams is based on a 30-point scale (18 and above is considered passing), while a 110-point grading scale is used for the final dissertation (66 is the minimum grade necessary to graduate).

The Cum Laude is equivalent to with Honours and assigned to praise outstanding students for each exam and/or upon completion of their university degree.

Academic Calendar
Academic calendars provide information on the beginning and end of courses, exam sessions, vacations, and national and religious holidays.

Typical schedule for Bachelors and Masters Programmes:
- Fall Semester
  - Courses: September - December
  - Exams: January - February
- Spring Semester
  - Courses: March - May
  - Exams: June - July

Courses
University courses usually begin in late September/early October (first semester) and in March (second semester), but this may vary slightly from faculty to faculty. The course calendar for every faculty is usually published about one month before the courses begin. Some professors also publish the academic calendar on their faculty or personal web pages, as well as on the office notice boards.

A Word of Advice:
To enrol as a degree seeking student or request information about Sapienza, we highly recommend you to get in touch with our offices at least six months before the beginning of the academic year.

Students do not have to enrol for courses to attend lectures. Once lessons begin, just go to the lecture hall and attend the lesson. It's a good idea to get to the lesson on time as some classes fill up fast. In fact, attendance is often optional, although some professors may ask you to sign an attendance sheet to keep track of the students who attend lessons regularly. Moreover, the course load may vary slightly depending on whether or not you attend the lessons. Some professors may ask students who do not attend lessons to integrate their course work with an extra or a different textbook to balance the workload for all students. Textbook requirements and related information for each course are listed on the faculty website (Lista dei programmi).

Exams
There are three exam sessions at Sapienza:
- Winter (January and February)
- Summer (June and July)
- Autumn (September)
Faculties publish the exam dates as soon as possible, so check your faculty website or notice board for exact dates and times.

In order to take exams, you must book online via the Infostud student portal.
You can book an exam online from one month to one week before the exam date. Once the exam is booked, remember to print your

receipt, as you will need to show it and have it signed by your professor. Remember to hold on to it as final proof of your exam.

Most exams are oral, although some may also have a written part. Your professor will provide further information on this. During a standard oral exam, the professor or one of his/her assistants will question the student for about 15-30 minutes, depending on the subject matter.

If there are too many students on one exam day, the professor may decide to divide the students booked for that day into two or more groups, which means that some students will have to take the exam on another day. If this is necessary, the professor will inform his/her students on the day of the exam or a few days beforehand, if possible.

On the day of the exam, when you are called for the exam by the professor or assistant, you will need to show the receipt of your exam booking and a form of photo ID. After the exam, you will receive a score ranging between 18 and 30 (18 being the minimum passing grade). In order to praise outstanding results, the examiner may add “cum laude” to a maximum score. If you are not satisfied with your exam score, you may refuse it (before it is registered) and take it again on another date for which you will have to re-register as above.

Please note:
If you are an exchange student and you need to leave earlier than a scheduled exam session, you will have to organise this with the professor at the beginning of the semester. Without an official or regular examination, you will not be able to receive your transcript of records.

Contacting Professors
You can contact your professor via his/her email. These are available on the office notice board or on the faculty websites. You can also see your professor during his/her office hours, which are also published on the office notice board or the faculty website.

- tickets cost €4.00/€4.50

Bus and Metro
To get to Rome city centre from Ciampino airport (CIA) you can take bus number 520 at the airport to the Underground (Metro) Line A Cinecittà station;
- tickets cost €1.20;
- buses leave every 40 minutes from 6:00 am to 10:40 pm.
From Anagnina, you can take the underground or city buses;
- you can use the same ticket for buses and the underground;
- the ticket costs €1.50 (valid for one Metro ride or 100 minutes on all buses).

Bus and Train
Alternatively, you can catch the bus from the airport to Ciampino railway station;
- tickets cost €1.50
from there you can board a train to Termini station;
- tickets cost €1.30;
- journey time 15-20 minutes.

Taxi
The cost of a taxi ride from Ciampino to the city centre (within the Aurelian Walls) is €30. Beware of taxi drivers trying to overcharge you. All costs should be clearly indicated and available inside of the taxi. Also make sure you are taking a Rome Taxi Cab and not a Ciampino Taxi Cab, as the latter will be far more expensive.

Residence Permit
All non-EU citizens who intend to stay in Italy for longer than 3 months must apply for a residence permit within 8 working days from their arrival in Italy.

Please note:
1. This does not apply to students from a European Union member state (or EU equivalent states);
2. If you lose your residence permit you will have to reapply following the instructions below.

How to Apply
Pick up a residence permit kit at any post office. There is one on the main campus by the Viale Regina Elena entrance or you can go to the main post office branches either at Piazza San Silvestro or Piazza Bologna (10 minute walk from the main campus). Complete the application form using a black pen and attach photocopies of the required documents along with a tax revenue stamp (ask for a €16 marca da bollo at any tobacconist). Instructions are included in the Residence Permit Kit; however, if you

are unsure or have any difficulties, you can ask for assistance at our International Office or at the HELLO Office. Alternatively, you can make an appointment with Patronato Labor, an Italian government office established to assist people with their Residence Permit applications. To find locations and opening hours visit: www.patronatolabor.it

Once you have completed your application form, you need to present it at the post office. On filling your application, you will have to pay around €130 (for the Residence Permit procedure). The post office will give you a receipt for your application, which is your proof of having applied for the residence permit and also indicates the date/time/place of your appointment with the Immigration Office (Police).

You will have to go to the appointment to complete the application for your residence permit. For the first appointment, you must bring 4 passport-sized ID photos with a white background, one of which will be attached to your residence permit.

**Tax Code**
The *Codice Fiscale* is an alphanumerical code based on your first name, family name and date and place of birth. It is used by the public administration to identify citizens living in Italy. Everyone living in Italy must have one. The *Codice Fiscale* is also necessary to apply for a residence permit, to open a bank account, to sign a rent agreement, to obtain a canteen card and for many other procedures/activities.

**Applying for a Tax Code**
You will be able to apply for your tax code directly on campus during the Welcome Week or Info Day that is organised for incoming students. Should you not be able to attend the welcome event, you can apply at the Agenzia delle Entrate (Via Ippolito Nievo 36) when you arrive in Rome. Office Hours: Mon-Wed-Fri 7:50 am – 1:30 pm and Tues--Thurs 7:50 am – 3:30 pm

The office is located about 500m from the Trastevere train station and can be reached with tram n. 8 or bus no. 3 or 780, getting off at the Piazza Ippolito Nievo stop.

The Italian Embassy/Consulate in your country of residence could also issue your tax code before your departure.

**Healthcare**
EU citizens can take advantage of the Italian National Health Service.

A Word of Advice:
always keep the postal receipt of your residence permit with you.
Even better: make also a photocopy to be sure you keep a track of it! It serves as a formal proof that you have applied for a residence permit.

Key words:
- Permesso di soggiorno is the residence permit
- Poste Italiane are the Italian Post Offices
- Marca da bollo is the Tax stamp
- Codice Fiscale is the Tax code
- Pronto soccorso is the Emergency room

Please remember to request an E106 (S1) Form in your country before leaving for Italy.
Your private health insurance (where applicable) should cover your medical needs for the entire period you are in Italy. If your private insurance only covers medical care for a 3-month period, you can register with the Italian National Health Service (NHS) from the 91st day onwards.

The Italian NHS will provide you with the same care as any Italian citizen. This includes:
- Free access to a general physician
- Free access to first aid hospital services
- Access to day-hospitals
- Access to surgical procedures in all public structures
- Access to blood tests and other analyses, examinations and specialist visits for which you have to pay a reduced fee (ticket).

**Registering with the Italian NHS**

Registration with the NHS requires payment of an annual tax of around €150. You can make the payment at any post office to “Amministrazione P.T. – contributo Servizio Sanitario Nazionale”, C/C number 370007.

You must also specify the reason for your payment: “Iscrizione volontaria al Servizio Sanitario Nazionale”.

To use the NHS, visit a Local Health Unit (ASL) in your area of residence (municipalità) with your NHS tax payment receipt and you will be able to select your general physician from a list of doctors in your area of residence.

**Documents required for registering with the Italian NHS:**
- Certificate of residence, municipal application receipt or self-certification;
- Valid Identity Card and/or Passport;
- Tax identification code (codice fiscale);
- Name of the selected general physician;
- Payment of around €150 at the Postal Office to account no. 370007;
- Certificate of enrolment in a legally recognised university (or self-certification).
Emergency Health Issues
For emergencies: call 112 (toll-free) or go to a hospital first aid centre. (pronto soccorso).
You will be assigned a colour code (white, yellow, green, red) based on how serious your condition is.
Patients are treated based on these codes, not in order of arrival.
Please note:
if you are assigned a white code, the wait may be very long.
Remember to take your health care card (tessera sanitaria) and residence permit with you.
Other Health Issues
For minor health problems (flu, cold, etc.) you should see your general practitioner (GP). Visits to a GP are free, as long as you are registered with the NHS (see above).
Always bring your residence permit and health care card with you.
For specialist visits (gynaecologist, dentist, etc.) your general practitioner will provide you with a referral called a “ticket”. You then need to book an appointment through the dedicated CUP Call Centre (Tel. 06 9939). You will need to provide the operator with your personal details, including your tax identification code and other information specified on the ticket.
Be sure to get a booking number from the operator before you hang up. Always bring your residence permit and health care card with you to the medical appointment.

Public Transport
Metrebus, Rome’s public transport system, integrates a variety of different transport services: underground/tube, urban trains, buses and trams.
There are several different types of Metrebus tickets that can be bought at ticket offices, newsagents, tobacconists and automatic machines in stations. You should not board on the public transport without a ticket.
Please remember that you must always validate your ticket at the beginning of your journey and when transferring onto the metro (your
ticket must be re-stamped within 100 minutes from the first validation stamp and is then valid until the end of your journey on the metro). It is only valid for one metro journey, but you can take more than one bus. You must keep your ticket with you while travelling on public transport and be ready to show it, on request, to ticket inspectors.

**Types of Tickets**

**BIT - Integrated Time Ticket:**
- costs €1.50 and lasts 100 minutes from the initial validation;
- only one metro or train journey is permitted.

**Daily Pass:**
- costs €7 and is valid for 24 hours from first validation for an unrestricted number of journeys.

**Monthly Pass:**
- costs €35 and lasts for the calendar month, as printed on the pass, for one person for an unrestricted number of journeys;
- you can buy a monthly pass from any tobacconist and news agency up to the fifth day of each calendar month;
- starting on the sixth day of each month, the pass can only be purchased from ticket offices and ATAC sales points;
- the holder must complete the pass with his/her personal details. Holders must show their pass along with some form of ID to ticket inspectors.

**Annual Pass:**
- costs €250 and is valid for 365 days from the date stamped on the pass;
- it can be purchased at any ATAC ticket office by filling out the forms and attaching a passport photograph.

**Need help figuring out your route?**

Use the ATAC wizard: viaggiacon.atac.roma.it

**Taxi**

Taxis in Rome are white. They have an identification name and number on the front door and all have meters. They can be easily found in every part of the city at special taxi stops or you can call one of the numerous radio-taxi companies at: 06 3570, 06 6645, 06 8822, 06 4157, 06 4994 or 06 5551.

**University Affiliated Accommodation**

Sapienza University does not have student housing per se, but offers a series of affiliated housing agreements and recommendations for finding housing. The Sapienza website provides constantly updated information on housing opportunities, rental agencies, etc.

**Private Accommodation**

On average, prices for a private room in a shared apartment range from €350 to € 550 (or higher) per month, depending on district/area. Please note that you will also be required to pay a 1-3 month deposit when you sign a contract. Always demand a signed receipt of payment, if it is not given to you.

Rome is a large city and students live...
in many different neighbourhoods, depending on their faculty location, costs, etc. While Sapienza has a main campus (Città Universitaria) in the Rome city centre (by the Roma Termini train station), many Faculties have buildings in different parts of the city… after all, Sapienza is Europe’s largest university! To find out more about the location of your Faculty, have a look at the map at the end of this document!

Banking
You can open a bank account at any bank in Italy by presenting the following documents:
- Tax identification code (codice fiscale);
- Passport and Visa;
- Letter of invitation/acceptance by host university (where applicable).

You can also choose to open a BancoPosta account at Poste Italiane (Italian Post Office). Unicredit bank and Poste Italiane have a branch at the Sapienza University main campus.

Telephone and Emergency Numbers

Italy’s international phone code is +39.
There are many mobile phone providers in Italy including: Tim, Vodafone, Wind, 3, Postemobile, etc. We advise you to compare services and costs before choosing one. The same is valid for mobile Internet connections. You may also be able to buy a pre-paid phone card for international calls in your home country before arriving in Italy.

Emergency numbers (toll-free):
112 General Emergency
113 Police
115 Fire Brigade
116 Car Rescue Service
118 Emergency Medical Care

On-campus emergency services: 800 811 192

Costs of Living in Rome

Rome is not a cheap city, but it is much cheaper than many other European cities and there are plenty of reasonably priced and low-cost alternatives for students. Food is great and generally inexpensive, especially if you shop at a supermarket or local market stalls. Eating out, movies and other leisure activities are, again, less expensive than many other European capitals. A meal at a restaurant will vary depending on where and what you wish to have, but a pizza and a beer in a pizzeria costs about €10-12, unless of course you are in the heart of the tourist city centre!

Public transportation in the city is also relatively cheap - €1.50 per journey - and much cheaper if you invest in a monthly or yearly pass. Trains are also far cheaper than in other European cities. Moreover, you can take advantage

For further information:
https://www.numbeo.com/cost-of-living/in/Rome
of a large range of student offers and discounts available at clubs, museums, sporting events, etc. Your greatest expense will be housing, depending on which area of Rome you choose.

**Please note:**
The cost of renting an apartment described in the link below refers to the cost of the entire apartment, whereas 3-4 or more students usually share an apartment.

**On average, you will need at least €800-900/month to live in Rome.** Although you only need proof of about €450/month to apply for your student VISA, please be warned that this is not enough to live in Rome.

**A word of advice:**
1. Do not make any advance payments from abroad. Make sure to meet with the person who is providing the accommodation when you arrive in Rome before making any payments and if you have any doubts do not hesitate to contact the Welcome Office for advice.
   To obtain a visa, you may require proof of accommodation (a receipt or letter attesting your accommodation). If this is the case, temporary accommodation at a hostel or bed and breakfast will provide you with the necessary proof without having to spend large amounts of money from abroad.
2. Unfortunately, due to the high demand for student housing in Rome, some landlords take advantage of the enormous influx of students by trying to rent their properties to students without an official rental contract. Clearly, this leaves the tenant unprotected and is illegal under Italian law. Bill no. 23/2011 has made it easier to report dishonest landlords and force them to provide you with a legal contract.
3. Like any major city, Rome has its problems. Although it’s a relatively secure city in terms of personal safety, you should pay special attention to your purse, wallet and other personal belongings when you are on public transport (buses, subway, trains, etc.).
   If you take a Taxi, make sure that the driver activates the meter and only charges you for correct supplements. These are all listed and detailed in Italian and English on laminated posters on the back seats of all taxis.
   Should you lose or have your wallet stolen, you must go to a Police or Carabinieri station to file a declaration. Also don’t forget to block your ATM card with your bank and any credit cards via phone or web.
