

THE ENTREPRENEURIAL EXPERIENCE 2019

Find Your Way Build On Your Skills

ENTREPRENEURIAL SKILLS | LEARNING BY DOING | MARKETPLACE

WHAT IS ENT-EX?

This 3-day interactive workshop helps young people develop entrepreneurial skills.

Young professionals (freelancers, starting entrepreneurs and employees) and students work together with successful entrepreneurs to find out what skills have made them successful and how they can develop them themselves.

HOW DO WE WORK?

By a 'learning by doing' method you will develop key life skills such as effective networking, project management, creative problem solving and team working.

You will get direct coaching & first-hand experience from experienced entrepreneurs.
